Bring Christmas to an Angel Tree Child

Does your church group or organization love sharing the Gospel? Do you have a special concern for vulnerable families?

Sign up for Angel Tree today at

www.prisonfellowship.org/about/angel-tree/.

They will help you reconnect hurting families and share the Good News of Jesus Christ - the ultimate Christmas gift with prisoners children who live in your area.

Your simple act of love will give joy to families who might otherwise have little to celebrate, as you show these families the true meaning of Christmas.
